Dear Sir WNEW

I heard you on T.V. and have tried to get the paper back book named White Wash. I have been unable to get. Could you please tell me where I can get or if you can send me one let me know how much it will cost and I will send a check.

You were very interesting as a rule I do not stay up that late at night but that night I had to wait till the show was over

Sincerely
Mrs R. Rouse
